

MHS Science Laboratory Expectations

1. I can only enter a Staffroom, Lab or Prep room with a teacher's permission.
2. I will always follow the instructions of the teacher.
3. I will always be respectful towards my teacher and other students in the room.
4. I will always bring the required equipment to class each period.
5. I will sit in my allocated position each lesson.
6. I will remain seated in my allocated seat in the classroom at all times, unless instructed otherwise by the Teacher (even when the bell goes at the end of the period).
7. I will only touch scientific equipment, gas taps, water taps, power points or any other equipment when told to do so by a teacher.
8. I will only eat or drink at recess and at lunch time; instead of during class time. (Students are allowed to only drink water in the classroom).
9. I will walk in a safe manner and behave when in the classroom at all times.
10. I must report all chemical spills, accidents and breakages to my teacher.
11. I will be a REAL student at all times.
12. I will only use electronic devices (eg: phone, iPad, iPod, MP3 player, tablet, laptop etc) when given permission by the teacher.
13. I must wear **safety goggles** whenever I use a Bunsen or when using chemicals (or where there is a danger to my eyes).
14. I will clean up and return all equipment to its proper place after use.
15. I will clean and dry the desktop and wash and dry my hands at the end of each experiment if needed.
16. I will use the COWS in a responsible way - return them in their correct slot on the trolley and place them on charge after use.
