## INFORMATION ON MITCHELL HIGH SCHOOL FEES

### Resource / Printing Fee

All monies received are directed through to whole school resources such as library books, reference material, periodicals and photocopying. This is a conscious effort to improve the quantity and quality of learning support materials for students.

### Course Fees

Subject fees are mandatory and go towards paying for materials consumed during the production of student work and projects e.g. food, wood, textiles, paints, canvas and so on. All subject fees are kept to a minimal rate and any fee changes are negotiated with the Principal and the MHS Parent & Citizens Association (P&C).

All monies requested for specific subject fees are used solely for the purchase of consumable materials in those subjects. It is most important that students experience the use of a range of materials from fabrics to timbers to sheet music to provide a broad and solid foundation of learning in early secondary years. The payment of subject fees provides the school with the funds to purchase materials necessary for use by students in these subjects.

#### Junior Fees:

- Students who are not able to pay the subject fee in one instalment must negotiate a payment plan with the school by Term 1 Week 4, or they may be asked to select a non-fee paying subject in consultation with the Deputy Principal or Principal.
- Students in Year 9 will not be able to select a fee paying subject for the following year (Year 10) if their fees remain unpaid. In consideration of this it is important to note that there are many non-fee paying electives that students can choose.
- Students will be unable to attend non-curricular excursions and international visits etc. unless they have paid their subject fees.

#### Preliminary and HSC Fees:

Some subjects attract additional fees as a result of their use of additional consumable materials. All costs are kept to a minimum but are necessary in order to provide the materials to meet the practical components of the subject.

- Students who elect to take these subjects are required to pay for the materials and uniforms that are required to meet the subject requirements.
- Students who have not paid their fees or negotiated a payment plan, will be required to bring in all of the necessary equipment and supplies for practical lessons.
- Students are unable to purchase the Year 12 jersey/jacket or attend non-curricular excursions such as international visits, Year 12 big day out, Year 12 formal etc. unless they have paid their subject fees.

### Internet and Software Licence Fee

Technology fees help to enhance Mitchell High School provision of educational, sport levy and other extra-curricular programs. The level of payment has been negotiated with the Mitchell High School community and all attempts are made to keep these at a minimum. Monies received are used to supplement the school's base financial allocation. All monies received are directed through to whole school resources such as computers, licensing fees and other technologies and software.

If your child's fees are paid in full during Term 1 of each year, your fee will be reduced by \$10.00 to act as an incentive. We understand that the costs of living today are high, but your support in early payment would be greatly appreciated, and provides an immediate means for improving the quality of education provision for your child. If you have any difficulties with your payments, please contact the school to negotiate a payment plan.

### Sport Levy Fee

The Sport Levy Fee goes towards the entry and transport to the MHS Athletics and Swimming Carnivals. The Sport Levy Fee for Year 7 is higher as it includes Year 7 Water Activities.

**Fees statements will be posted home early in Term 1, then reminders throughout the year.**

## Payments can be done in four ways

### Parents' Online Payment

Visit Mitchell High School's website: <https://mitchell-h.schools.nsw.gov.au/>

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner and these details are not passed back to the school. Payments can be made using either a Visa, MasterCard credit or debit card. The payment page is accessed from the front page of the school's website by selecting \$ Make a payment. Payment(s) for subject fees, school contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance) can be made here. There is also a category called 'Other': this is to cover items not covered in the previous heading. 'Other' can be used to make a payment of miscellaneous items e.g. overseas tours, calculators, textbooks etc. Uniform items are **NOT** to be paid for through the online payments system as these must be bought from the uniform shop. Once your transaction is complete a receipt of payment will be emailed to you by Westpac. **Please note that the school will not re-issue you a receipt.**

#### When you access the \$ Make a payment you must enter:

- the student's name, and
- class and/or reference number **OR**
- the student's name, and
- date of birth.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed. For any enquiries regarding the Online Payment process please contact the School Administration Office.

### What types of payments are **NOT** to be paid on the Parents' Online Payment system

MHS uniform shop items are **NOT** to be paid for through the online payments system and any items brought from the MHS uniform shop need to be paid to The School Locker.
