

MHS Science Laboratory Expectations

1. I can only enter a lab or prep room with a teacher's permission.
2. I will always follow the instructions of the teacher.
3. I will bring the required equipment each period.
4. I will sit in my allocated position each lesson.
5. I will remain seated in my allocated seat in the classroom at all times, unless instructed otherwise by the Teacher.
6. I will only touch gas taps, water taps, power points or any other equipment when told to do so by a teacher.
7. I will only eat or drink at recess and at lunch time; instead of during class time. (Students are allowed to only drink water in the classroom).
8. I will walk when in the classroom and behave in a safe manner at all times.
9. I must report all chemical spills, accidents and breakages to my teacher.
10. I must wear safety goggles whenever I use a Bunsen or there is a danger to my eyes.
11. I will clean up and return all equipment to its proper place after use.
12. I will clean and dry the desk top and wash and dry my hands at the end of each experiment if needed.
