BRING YOUR OWN DEVICE (BYOD)

The Mitchell High School **Bring Your Own Device (BYOD)** program is a strategy to increase student learning through engagement. As the use of technology in classrooms increases, it is necessary for students to be allowed to maximise their learning potential through the use of electronic devices. The BYOD is compulsory and is in place for students in Years 7-9 (2024).

Years 7 – 9

Mitchell High School introduced a compulsory BYOD program for Year 7 in 2022. This program will continue in 2024 with the new Year 7. All information above is relevant to Years 7, 8 and 9.

Years 11 – 12

Mitchell High School will be allowing students to bring their personally owned laptops to school. It is essential that these laptops are suitable for use at school. Please see the **Mitchell High School Device Specifications** list and the laptop must fulfil the **Minimum System Requirements**. For more information, visit the school website.

Before students will be allowed to bring their own laptop, students and their parents/carers must read the **DoE Bring Your Own Device Policy** and the **Mitchell High School BYOD Student Agreement** (go to the school website for more information). Forms are available on the MHS Website and the MHS administration counter. The agreement must be filled in, signed and submitted to the Administration Office.

COMPUTER PROCEDURES

Username and Network Access

Each student has been allocated a username for the school network and internet. Students are to always log on and off from the computers at the end of each session. Students are to never share their password or use another students' password. The sharing of passwords gives users the ability to conduct inappropriate actions on behalf of the password owner. Disciplinary action as per the School Code of Conduct will be followed for misuse of passwords.

Acceptable uses of Information and the Internet

If a student stumbles on any controversial material they are to report it directly to their teacher and/or ICT coordinator immediately. Students who do not report such sites immediately, will be subject to disciplinary action.

Students should ensure they do not:

- Us the network for any illegal activity, including violation of copyright or other contracts
- Damage or disrupt equipment, software or system performance
- Vandalise or interfere with data of other users on the network
- Gain unauthorised access to resources
- Download, store, create, send or print files or messages that are deemed to be profane, obscene, or that use language that offends or tends to degrade others

- Access offensive (including pornography), dangerous or potentially destructive information
- Download any files unless specifically authorised to do so by the ICT Coordinator or teacher.

It must be noted that electronic mail is not guaranteed to be private and the school has access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.

Plagiarism and Cheating

Sharing class work using technology such as Bluetooth, unless approved as part of the lesson may be deemed cheating. Cheating using technology is still cheating. Copying material straight from a website is seen as plagiarism and will not be accepted. The consequences for cheating or plagiarism are subjective to the schools assessment procedures which may result in the student receiving a 0 mark.

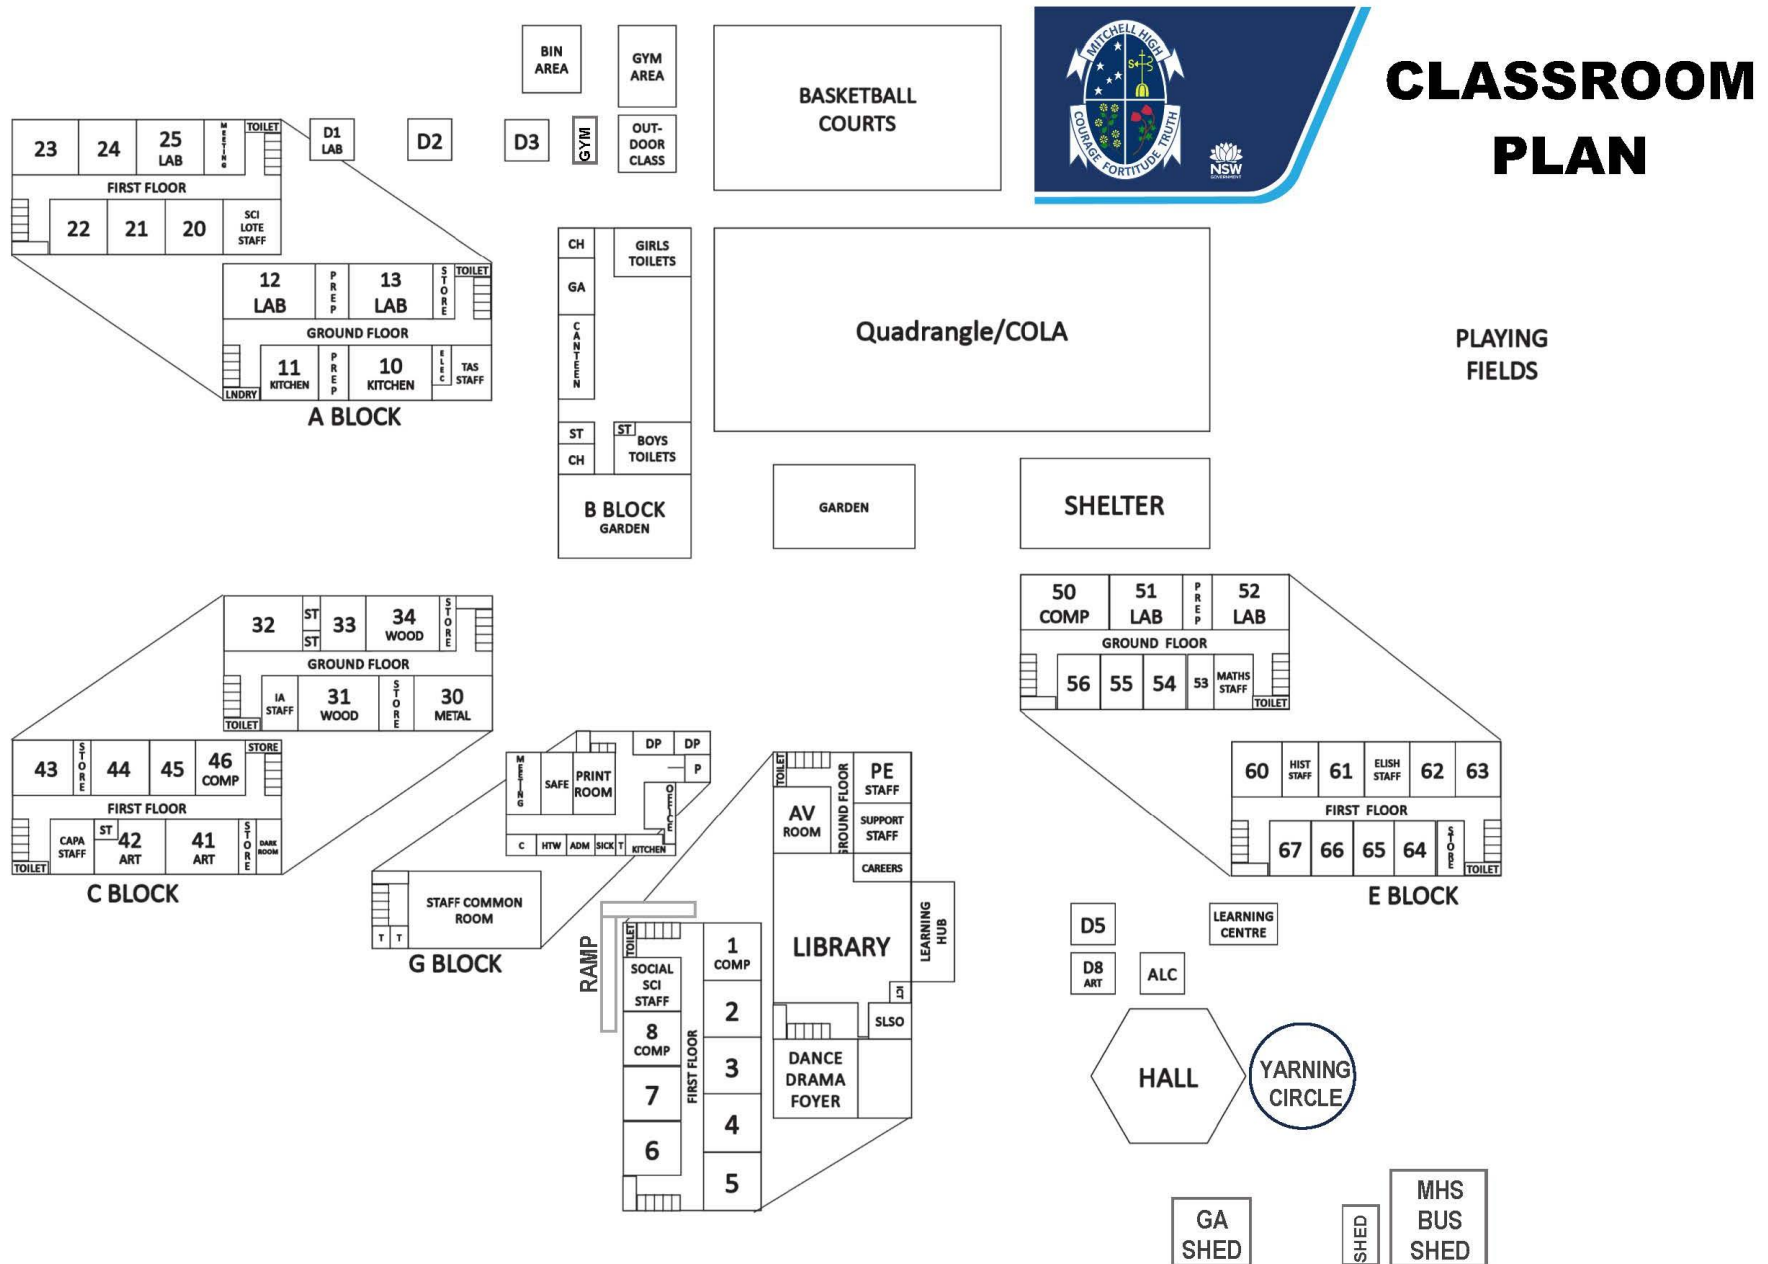

Use of Headphones in Class

Students may not use headphones on their computers in class without the prior permission of the class teacher.

Backup Procedure

It is the responsibility of the student to backup any work to an external drive or the Cloud.

CLASSROOM PLAN

GENERAL INFORMATION

Parents & Citizens Association (P&C) Meeting

The Parents & Citizens Association (P&C) meet every Term in Week 5 on Wednesdays at 6.30pm in the MHS Common Room. The aim of this body is to promote the interests of the school through forum discussion by bringing parents, students and the school teaching staff into closer cooperation. Please become an active member of our school community by attending meetings. You will be made very welcome and you will find them most worthwhile.

School Newsletter

The MHS newsletter is published twice a term on Wednesday (Week 5 and 10). It contains items of interest to parent/carer(s), e.g. reports from the Principal, notices of meetings, functions and school events. Newsletters can be viewed from our MHS website. The link is provided on the MHS Facebook page as well.

Textbooks

Textbooks are provided by the school. Students must exercise special care with these books, as the cost of textbooks is very high. At the time of issue the condition is recorded and it is expected that the book will be returned in a similar condition, otherwise a charge is made. When students leave it is essential that all texts are returned or a compensatory charge will be made.

Medical Changes

Please notify the MHS Administration Office in writing if there are any changes with your son/daughter's medical conditions immediately e.g. medical conditions, medications, allergies, injuries etc.

Change of Student Custody

If the parent/carer is going away on holidays and leaving their child in the care of someone else for that period of time, please notify the MHS Administration Office in writing on the dates and contact details on who will be caring for your child during that time.

Change of Contact Details

If you change your contact telephone numbers, address or emergency contacts, please notify the MHS Administration Office immediately of these changes.

HOMWORK CENTRE

At Mitchell High School we are pleased to be able to provide a Homework Centre for students on three (3) afternoons a week from Term 1 Week 3. The Homework Centre will be staffed by a Mitchell High School teacher and a MHS School Leader will also be rostered on for assistance as part of their leadership duties.

The Homework Centre will operate every Wednesday, Thursday and Friday afternoon. Excluding school and public holidays. Please see above for opening times. Students will need to work on their homework, research, assessment task(s) and/or study.

- Students will need to sign into the Homework Centre each afternoon in the book provided. They do not need to have a prior booking to do so and this allows flexibility for parents to encourage their students to use it as the need arises.
- Students need to remain in the library until the end of the hour and sign out as they leave.
- Each student will be given a stamped card to indicate they were in the library for homework centre help.
- Students are to complete homework, assignments/assessments, study using the resources available in the library.
- Teachers are available to assist students where necessary to complete their work.
- Students should not be eating in the library – they have time prior to entry to do so.
- If a student has a note to leave earlier, they may but must still sign out before leaving.

MOBILE PHONE PROCEDURES FOR STUDENTS

Purpose

Mitchell High School acknowledges the educational value of digital devices and online services in supporting and enhancing educational outcomes and student wellbeing. We also recognise they may cause harm if used inappropriately and that we need to support our students to use them in safe, responsible and respectful ways.

Scope

Mobile phones are not to be used during school hours. At the beginning of the school year, every student will be assigned a personal **Phone Locker Pouch with an ID Number**, similar to being assigned a textbook. This will be recorded through the school library. While the Phone Locker Pouch is considered school property, it is each student's responsibility to bring their pouch with them to school every day.

Process

As students enter the building for roll call, they will:

1. Turn their mobile phone off.
2. Place their mobile phone inside the pouch, place it on their desk for the roll call teacher to view the phone inside, close it securely.
3. Place the Phone Locker Pouch into their school bag where it will remain all day.

Each student will maintain possession of their mobile phone inside their Phone Locker Pouch for the duration of the school day. Late students will complete this process at the Attendance Office as they sign in.

Exit: As students exit the school at the end of the school day, they will:

1. Unlock their pouch using an Unlocking Base at the school exits.
2. Remove their mobile phone from their pouch.
3. Close their empty pouch securely and place it in their school bag for the next day.

(Exception: excused early leavers whereby the student will unlock their pouch at the Front Office)

Violations

Below is a list of potential student violations. Each of these violations will result in the student's device/mobile phone and/or pouch being confiscated by school staff.

1. Physical damage to the pouch in an attempt to circumvent its intended purpose. (Examples: discoloration, pen marks, bent pin or stripped lock inside the pouch).
2. Forgetting or losing the pouch – student will need to bring mobile phone to the Deputy Principal's Office.
3. Using their mobile phone during school hours.
4. Other devices, such as laptops, tablets, headphones and smartwatches, pose similar challenges and opportunities. These devices can be linked to mobile phones and therefore the same policy applies to these actions.

Disciplinary Action if a Phone Locker Pouch is Damaged

1. Mobile phone and Pouch will be confiscated and parent/carer will be notified immediately.
2. Student's parent/carer must come to the school to pick up their child's mobile phone and a replacement pouch may be assigned.
3. **Formal Caution to Suspend** for damage to school property.
4. Deputy Principal will notify the library. The library will invoice student and parents via email and/or phone call for replacement Phone Locker Pouch .
5. The student will only be allowed to bring a mobile phone back to school if they or their parent/carer pay a \$20 fee to replace the damaged school property.

Contact Between Students and Parent/Carer(s) During the School Day

Should a student need to make a phone call during the school day, they must:

- approach the Front Office and ask for permission to use the school's phone; or
- ask SASS staff for permission to unlock their mobile phone, make a phone call and then lock the Phone Locker Pouch again. Storing the mobile phone again must be supervised by SASS staff.

During school hours, parents/ carers are expected to only contact their children via the school Administration Office. A message will then be sent to the student.

Responsibilities and Obligations

For students

- Be safe, responsible and respectful users of mobile phones and online services, and support their peers to be the same.
- Respect and follow school rules and procedures and the decisions made by staff, knowing that other schools may have different arrangements.
- Communicate respectfully and collaboratively with peers, school staff and the school community and behave in the ways described in the Behaviour Code for Students.

For parents/carers

OFFICE DUTY

Office Duty has been a feature of life at Mitchell High School since the school opened. In Term 1, two students from Year 8 are selected each day to perform duty for one day. Students are selected in turn from the roll. From Term 2 for the rest of the year two students are selected from Year 7 each day to perform this duty.

The purpose of Administration Office Duty is multi-faceted. First and foremost it is a community service for the entire school community. Mitchell High School is a large school and the school does not have an intercom system. Many students will be called to the Administration Office throughout the day to take messages from their families, to see the Principal, Deputy Principal, Counsellor or other school personnel. The vital function the office duty students perform enables a timely response.

Performing the duty helps develop and refine skills of time management, understanding and following directions and interpersonal skills. Students get to understand the structure of the school better and come in contact with a wide variety of teachers, Head Teachers and Support Staff. The students receive praise and encouragement for doing the duty and many students report that they thoroughly enjoy their day of office duty.

The Parents & Citizens Association (P&C) support the practise of office duty, however, if any parent wishes that their child not complete office duty please contact the Administration Office and their child's name will be removed from the office duty roll.

SCHOOL ROUTINE

The following information should assist you in settling into Mitchell High School.

School Hours

Monday	8.50am – 1.50pm
Tuesday	8.50am – 3.00pm
Wednesday	8.50am – 2.15pm
Thursday, Friday	8.50am – 3.00pm

Administration Office and Library Hours

Monday - Friday 8.30am – 3.15pm (excluding school and public holidays)

School Days

Each day consists of 5 x one-hour periods, except Monday, which has 4 periods. The timetable is organised over two weeks. The timetable is different in each of these two weeks. They are referred to as **Week A** and **Week B**. Each term will always begin in Week A.

School Gates

School gates are closed every day at 9.30am and entry to the school is only accessible through **Gate 1**, which is located on Keyworth Drive (near the letter box and school pedestrian crossing).

Roll Call

Daily roll call will occur each day at 8.50am. It is imperative that students be present at school prior to 8.50am so that they are not late for roll call. Students who arrive after roll call must report to the late room in the Administration Block.

Arriving Late

A note or parent/carer phone call is required if a student arrives late to school. The note must be taken to the School Administration Officer in the MHS Administration Office before going to class so that the students will be marked present and a late slip will then be issued. This slip must be given to the class teacher to gain entry to class.

Timetabled Assemblies

Timetabled assemblies are held every Monday for approximately 15 minutes after recess.

Sport

Sport is integrated into each Year 7-10 student's normal timetable over the two-week cycle.

Canteen

The school canteen operates every school day. It provides a nutritious variety of wholesome foods, both hot and cold. Orders for lunches are taken before school and students will need to use cash or card to purchase food during recess or lunch as they will not be able to access cards on their mobile phones. See page 10.

SCHOOL ROUTINE

Absences

Please contact the school before 10.00am to notify the MHS Administration Office staff if your child is absent. This will then be counted as an explained absence. This will also prevent a text message being sent to your mobile phone, thus saving us the cost of doing this. If you provide us with a parent mobile number we will text you after 11.00 am if we have not heard from you. Please text us back on **0418 245 356** and provide your child's full name and a brief explanation of their leave. This will then be counted as an explained absence. If you do not call or text a letter is requested upon your child's return. If you are planning for your child to be on leave for 5 or more days you need to contact the Principal as only a Regional Director can approve this leave.

It is important to note that students in Year 10, 11 and 12 require the Deputy Principal to sign a statement indicating that attendance, conduct and progress have been satisfactory.

Absences – Student Leave of Absence in School Term for 5 days or more

Travel is no longer exempted from school attendance when taken outside of school holiday periods. These periods are counted as absence for statistical purposes. If a student needs to be on extended leave for 5 or more days, the parent/carer needs to contact the MHS Administration Office and make an appointment with the Deputy Principal regarding this matter. If the student is going overseas, original travel documents need to be brought with you at the interview.

The Principal has the authority to grant some leave and exemptions depending on the circumstances. The parent/carer(s) must still make an 'Application for Extended Leave - Travel'. If the leave has been approved a 'Certificate of Extended Leave - Travel' will be issued and the absence will be recorded as 'L' Leave and if the leave has not been approved the absence will be recorded as 'A' Unjustified.

SCHOOL ROUTINE

Leaving Early

To leave early for a good reason, (e.g. a medical appointment) a note is required, signed and dated by a parent or carer, and must be presented to the School Administration Officer in the administration office before roll call. Written permission to leave will then be given.

Sick Students

Students who are ill may be sent to the MHS Administration Office with a note from their teacher. The School Administration Officer will use their discretion as to whether the student will be admitted to sick bay. Sick bay is only to be used for emergencies and those who are genuinely ill. If a student is genuinely sick, a parent/carer(s) or one of the emergency contacts will be contacted, for them to pick up the sick child. **Contact telephone numbers of parent/carer and emergency contacts need to be updated, if there has been a change.**

Interviews/Appointments

Interviews or meetings with the Principal, Deputy Principal (Years 7, 9, 11), Deputy Principal (Years 8, 10, 12), Head Teachers, Year Advisers, Counsellor, Careers Adviser or class teacher must be arranged via the telephone on a mutually convenient date and time.

STUDENT/PARENT PORTAL - MILLENNIUM

Millennium Parent/Student Portal

Mitchell High School has introduced Millennium Parent and Student Portal as a communication platform for parent/carer(s) to access educational school information about their son/daughter's progress at school. The 'Parent and Student Portal' is a web-based application where both students and parents are able to login with their own credentials and access confidential student information.

The Millennium Parent and Student Portal will provide access to your child's school timetable, school's student calendar, messages regarding whole school and individual year information as well as messages from their teachers directed to the entire class or just to your child. Attendance data can be accessed, and you will be able to type an absence note within the portal. Many essential documents issued to our students can be downloaded. Parent teacher interview evening bookings will be made through the portal.

The Millennium Parent and Student Portal is a significant place to visit and pivotal in your day-to-day management of your child's enrolment at our school.

I am confident that you will see the benefits of your registration immediately and be part of our journey in providing this facility to you.

Click on the link below to view the Millennium Parent and Student Portal.

STUDENT INFORMATION

Playground Supervision

All teachers on playground duty wear bright yellow vests for visibility and carry a walkie talkie. The Head Teacher on duty for the day will wear an orange vest. Students who require assistance should be able to locate a duty teacher quickly and easily to report any issues.

Difficult Students on the Playground

Students, who cause concern or refuse to obey a teacher's direction, will be referred to the Head Teacher on playground duty for that day. Head Teachers will deal with the situation. This information will be recorded on the Schools Management System. Further problems may be forwarded to the Deputy Principal.

Late Arrivals from Recess and Lunch

Students should move to class as soon as the music starts at the end of recess and lunch. They should arrive by the actual bell. Class teachers will take action against late arrivals by detaining students for the amount of time they were late and doubling it on a repetition of lateness.

Students who are Out of Bounds

Students found in out of bounds areas will be required to clean up a designated area at the direction of the teacher on supervision. Persistent offenders will be referred to the Head Teacher on playground duty and/or the Deputy Principal.

Students at a Training Session for Sporting Activity

Students training at recess or lunchtime, must have a supervising teacher with them at all times or teachers on playground duty will stop the training session. Only students involved in the team are permitted to be in that area.

Wet Weather

In wet weather only, the ovals will be closed and students may remain in the canteen area, under the Covered Outdoor Learning Area (COLA) or covered walkways. At no time are classrooms to be used.

Computer Passwords

Students needing to change their passwords for school computers or internet or have BYOD forms need to go to the Administration Office before school, recess or lunch.

STUDENT RIGHTS AND RESPONSIBILITIES

A **'right'** is something, which belongs to you and should not be taken away by anyone. All students at Mitchell High School have the same rights. **Responsibilities** are those things you should do without being told. You have Responsibilities to others and towards yourself.

STUDENT INCENTIVE SCHEME

Mitchell High School staff and student representatives have investigated and developed an incentive scheme to reward students for positive behaviour. The incentive scheme will recognise positive student participation in the following expectations:

Respectful

Engaged

Active

Learners

Types of behaviours that will be rewarded under these expectations may include things such as good attendance, personal presentation, school and community participation, behaviour and attitude, and effort and success in course work.

Recognition of the above participation will be through the following forms:

- Presentation Day
- Merits
- Service Awards

Staff issue students with Merits through Millennium. Merits are given to students who demonstrate **R.E.A.L.** expectations in the classroom, on the playground, at sport and many other settings.

Presentation Day awards excellence in course work, sport and community achievements.

The Mitchell High School R.E.A.L. incentive scheme encourages positive behaviour within young people, which will assist them in their pursuit of their individual goals. It will provide students with electronic points and certificates, which can become part of a personal resume as well as assists students to identify their current skills and positive attributes. This scheme may also assist students in their school to work preparation.

SCHOOL FEES AND PAYMENTS

We understand that the costs of living today are high, but your support in early payment would be greatly appreciated and provides an immediate means for improving the quality of education provision for your child. If you have any difficulties with your payments, please contact the school to negotiate a payment plan.

Statements will be emailed early in Term 1, then reminders throughout the year.

Technology Resource

Technology fees help to enhance Mitchell High School provision of educational software.

Third-party software can significantly enhance student engagement in the classroom. These applications offer interactive and dynamic learning experiences that cater to diverse learning styles, making lessons more engaging and enjoyable. Additionally, they provide opportunities for collaborative and independent learning, fostering a deeper understanding of the material and promoting active student participation. Please note some course/subjects use additional specialist software programs. A fee for these may be reflected in a course/subject fee. Below is a list of pre-qualified third-party software programs used at Mitchell High School.

Textbook Resource

All monies received are directed through to whole school resources such as library books, reference material, periodicals and photocopying. This is a conscious effort to improve the quantity and quality of learning support materials for students.

Sport and Mandatory Activities

The includes sport activities, equipment and entry to the MHS athletics, swimming carnivals and cross country.

Course/subject fees are mandatory and go towards paying for materials consumed during the production of student work and projects e.g. food, wood, textiles, paints, canvas and so on. All course/subject fees are kept to a minimal rate and any fee changes are negotiated in consultation between with the Principal and the MHS Parent & Citizens Association (P&C).

All monies requested for specific course/subject fees are used solely for the purchase of consumable materials in those course/subjects. It is most important that students experience the use of a range of materials from fabrics to timbers to sheet music to provide a broad and solid foundation of learning in early secondary years. The payment of course/subject fees provides the school with the funds to purchase materials necessary for use by students in these course/subjects.

Junior

- Students who are not able to pay the course/subject fee in one instalment must negotiate a payment plan with the school by Term 1 Week 4, or they may be asked to select a non-fee-paying course/subject in consultation with the Deputy Principal or Principal.
- Students in Year 9 will not be able to select a fee-paying course/subject for the following year (Year 10) if their fees remain unpaid. In consideration of this it is important to note that there are many non-fee-paying electives that students can choose.
- Students will be unable to attend non-curricular excursions such as camps unless they have paid their course/subject fees.

Year 11: Stage 6 Preliminary and Year 12: HSC

- Students who elect to take these course/subjects are required to pay for the materials and uniforms that are required to meet the course/subject requirements.
- Students who have not paid their fees or negotiated a payment plan, will be required to bring in all of the necessary equipment and supplies for practical lessons.
- Students are unable to purchase the Year 12 jersey/jacket or attend non-curricular excursions such as camps or Year 12 formal etc. unless they have paid their fees.
